CAMPUS

The Summit uses a whole school approach to address the climate challenge faced by schools, using the shorthand: the 4 'C's and the 1 'F'. The first 'C' examines the role of the school estate – the campus - in emissions reduction, adaptation, resource flows & procurement covering food, energy, waste, water & land use (FEWWL), etc. How can school leaders, governors & policymakers respond to the new critical infrastructure agenda?

Host school: [Glebe School](#), Bromley. Ian Travis, Headteacher
Glebe School is our Lighthouse School for the special education sector

10:30-10:45	Headline Address- Emma Howard Boyd , Global Ambassador for Race to Zero & Race to Resilience; Chair of UK Environment Agency
10:45 – 11:45	<ul style="list-style-type: none">▪ Jonathan Clear, Planning, Performance and Risk Director, Department for Education, Department for Education (DfE)
